

Jerusalem 2060

Utopias, Dystopias and Atopias

Julia Lampert – FU Berlin, Institut Futur

Jerusalem as an object of research

Great meaning
Complex role
ancient history – extremely unknown future

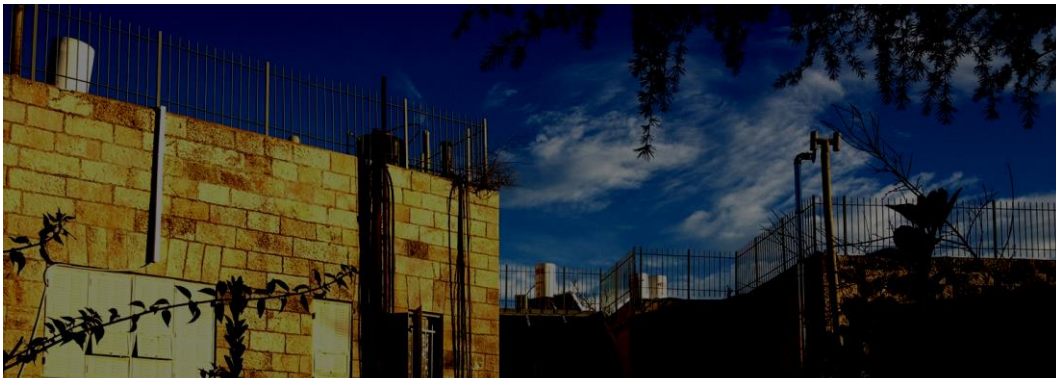

Julia Lampert – FU Berlin, Institut Futur

Characteristics of the study

Timehorizon 2060
Leitbildanalysis
Utopias, Dystopias, Atopias

Preliminary results

Future blanks
Double Insecurity
Emotions and personal investment
Irregularities and Contradictions

Israeli and Palestinian futures

Jerusalem in a two states solution
Jerusalem in a one states solution
Jerusalem in an escalation of the conflict

Julia Lampert – FU Berlin, Institut Futur

Stepping forward

'If there is going to be any kind of solution (...), it will change the whole picture to a much more optimistic one. Because the main problem now is in the long term people don't have any hope, and on both sides.'

Julia Lampert – FU Berlin, Institut Futur
